**As a subscriber – even

BE CHARGED FOR THE
AMBULANCE SERVICE!**

It is a program that provides reimbursement for hospitals, doctors and ambulance services. The reimbursement is based on services rendered to patients. In some cases, insurance companies or Medicare may reimburse some portion of the ambulance charges.

We are required, by law, to bill the insurance companies of every patient we treat and/or transport. By obtaining funds this way, we are able to keep rates lower while still providing the highest quality emergency ambulance services.

Please contact our billing company, Cornerstone, directly at 1-866-724-4124.
